DANGER: FAKE WEED + U = ZOMBIE

WORRIED THAT YOUR TEEN MAY BE USING FAKE WEED?

It is important for you to talk with your teen about fake weed. Chances are your teen may encounter fake weed at school, handing out with friends, or at parties.

PARENTS, DO YOU KNOW THAT:

- **The average age of a fake weed user in DC is 13 years old.**
- **One in ten DC youth used synthetic marijuana or fake weed in 2011, according to the DC Youth Risk Behavior Study 2013.**
- **Fake weed now ranks as the second most frequently used illegal drug among high school seniors, after marijuana.**
